aic — ALLIANCE	*Brazed plate heat exchangers • Plate and frame heat exchangers*
AXIOM INDUSTRIES LTD	*Pressurization packages for closed hydronic heating and cooling systems • NeutraPal condensation neutralizer kits • Chemical feed equipment • Demineralization products • Boiler HXE cleaners*
BURNHAM Commercial Boilers	*Commercial cast iron atmospheric boilers • Commercial forced draft boilers*
Burnham by U.S. Boiler Company	*Residential cast iron boilers • Residential & Commercial high efficiency condensing boilers • Residential high efficiency combi-boilers • Cast iron radiation*
CALEFFI Hydronic Solutions	*Hydro, air, and dirt separators • Zone valves • Thermostatic mixing valves • Manifolds • Balancing Valves • Zone relay panels • Demineralization systems*
Centrotherm solutions beyond	*Centrotherm Eco Systems supplies InnoFlue® polypropylene vent systems.*
RE-VERBER-RAY by Detroit Radiant Products Company — INFRARED RADIANT HEATERS	*Gas-fired low intensity infra-red tube heaters • High intensity infra-red heaters • Vacuum tube heaters • Gas fired unit heaters • Electric infra-red • LED lighting*
ecobee	*Wi-fi enabled smart thermostats • SmartBuildings Commercial thermostat solutions*
ELECTRO INDUSTRIES	*Residential, Commercial and Industrial Electric Boilers • Electric Make-up Air • Heat-pump boilers*
GRUNDFOS	*Residential and commercial circulators • High efficiency ECM circulators • Heating, cooling, and domestic water applications • Booster systems*
Heat-flo	*Stainless steel indirect water heaters • Storage tanks • Buffer tanks • Electric water heaters*
REHAU Unlimited Polymer Solutions	*Superior PEX-a systems for radiant heating and cooling, plumbing, distribution piping, and geothermal systems*
Smith's A Swan Group Company	*Baseboard • Kickspace heaters • Panel radiators • Commercial Baseboard, Convectors and Booster Coils*
ZILMET globally renowned	*High quality expansion tanks • Pressure vessels • Plate heat exchangers • Leader in the thermo-hydraulics field.*
